WORDS FROM THE PRINCIPAL

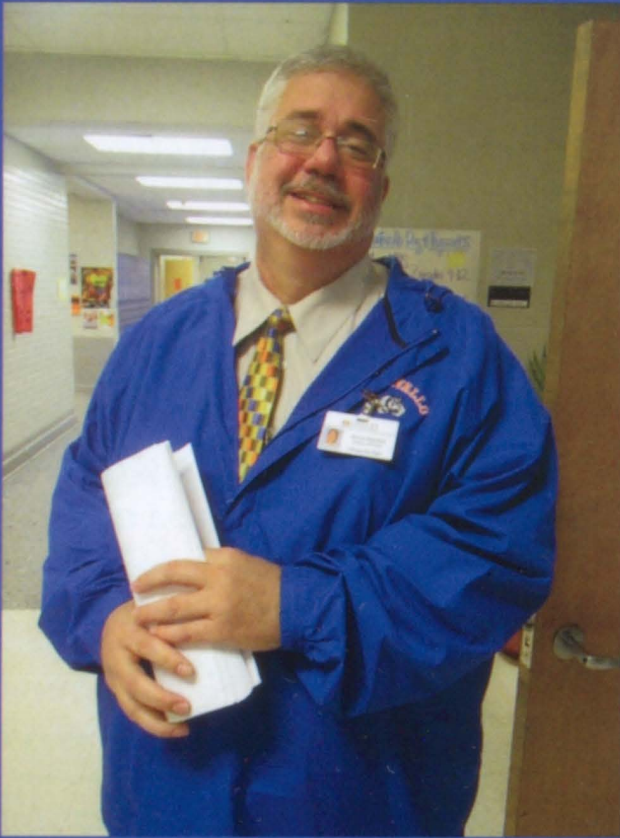

On behalf of the faculty and staff, I would like to dedicate this yearbook to the students of Montevallo High School. I have thoroughly enjoyed the past three years here and look forward to many more wonderful years with the kind students, staff, and caring community that are Montevallo. The warm and welcoming atmosphere at MHS says a great deal about the character and leadership of the students and faculty that have been a part of the school's rich history. I encourage every student to reflect carefully upon what their contribution will be or has been in continuing to build upon that legacy. We are all given opportunities to affect the lives of others through our daily interactions and I challenge the MHS family to strive everyday to make our school and community the best it can be. A student's success in high school requires self-discipline, perseverance, and dedication to improving everyday. The graduating class of 2012 has consistently demonstrated the dedication and sense of purpose needed to achieve excellence. I would like to commend you on your accomplishments and encourage you to let all the people who have played a role in your success know how important that they have been to you. There is so much life in front of you. Never become satisfied or complacent, and never cease to seek growth and wisdom.

Mr. Derek Dearman, Montevallo High School Principal

Kevin Raybon

Assistant Principal

A word from our Assistant Principal

I want to thank the faculty, staff, students, and parents for making the 2011-2012 school year at Montevallo High School a wonderful experience. I know of no one group of people I enjoy being around more than you. To the class of 2012, it is my desire for each of you to be successful in life. I hope you find a profession in which you have a passion for what you do, be a person of integrity (doing the right thing even when no one is looking) and finally, have a servant's heart (putting other's needs ahead of yours). For the class of 2013, 2014, and 2015, the challenge stands ahead of you to hold yourself accountable for your education and pursue your goals to become the best person you can be.

Sarah Grace,

We've been so blessed to be a part of your life and watch you transform from a sweet, sensitive, big-hearted little girl into a strong, talented, creative, hardworking, intelligent, and compassionate young lady. We are so very proud of you and the person you have become. As you proceed in life remember to stop from time to time and take a look around, enjoy the moment. Life is too short, you only have one to live, and even though it may not feel that way, it moves quickly. You don't want to miss a thing! There is only one who can keep you from your dreams...You! Follow them with your head, heart, and faith!
